What is Vital Payment SolutionsSM?

Vital Payment Solutions combines advanced payment processing software with state-of-the-art hardware solutions for in-store and on-the-go sales.

Why is Vital better than the terminal I use now?

Vital delivers a superior user experience and greater flexibility over the traditional register-and-terminal setup in businesses of every size:

- Accept payments any time, anywhere, for your business.
- Gain real-time access to all of your transaction history.
- Vital allows you to manage employee access and employee permissions.
- Easy to run hardware and software with a library of tools to help you manage business.
- Sleek and innovative all-in-one designs replace the need for clunky cash registers and terminals.

What types of payments can I accept?

Accept all major credit and signature debit cards – including Visa®, Mastercard®, American Express® and Discover®. Payment methods include EMV®, contactless and magstripe.

How do I know if Vital is right for my business?

Vital Payment Solutions offers a variety of features and functions, including: quick reconciliation of credit and signature debit; Wi-Fi, ethernet or Bluetooth® compatibility; easy tip entry at time of sale.

Other companies offer systems like this.

Why should I choose Vital?

With Vital, you benefit from a full-service payment processor with the infrastructure and experience to offer benefits like:

- Live, 24/7, U.S.-based support
- Industry-leading data security technology
- Leading integration and mobile processing experts.
- Available next-day funding

Cutting-edge technology combined with simple-to-use features make Vital Payment Solutions a top choice for your business.
